Bringing you the most popular brands from the Philippines
Introducing...

It used to be a trial just to find your favorite Philippine brand of face wash or astringent here in the United States. While there many American beauty products are available on the market, it just doesn't compare to the products you've grown up with or preferred to use back in the Philippines.

Seafood City now gives you all the leading health and beauty brands from the Philippines in one convenient location - just check out the new Health and Beauty Section at any Seafood City Supermarket location to see for yourself!

A wide selection products from popular Pinoy brands such as Bench, Eskinol, HBC (Hortaleza Beauty Care) Johnson and Johnson, Myra E. Enveron are prominently

displayed at the Seafood City Health and Beauty Section. Items are replenished regularly to ensure that freshness and availability of products.
