Many Filipinos who are starting to build their American dream venture into healthcare, which is why Premiere Career College specializes in several courses that are very much in demand here in the US. Today, many new immigrants or highschool graduates look for a school that will surely provide them a good income once they are finished with the course. Premiere Career College is dedicated to combining quality education with molding their students into professionals in their chosen fields.

take a personal interest in your success," says Dr. Fe Ludovico-Aragon, President and Executive Director of the College.

The primary mission of the College is to educate and train anyone who wishes to acquire the skills and attitudes that will qualify them to work in the medical and business industries. Programs offered include Surgical Technology, Hospital Central Service Technician, Vocational Nursing, Medical Assisting, General Office Assistant and Financial Records Processor. Day and

*“Premiere Career College is dedicated to combining quality education with molding their students into professionals in their chosen fields.”*

Premiere Career College was born of a vision of innovative, quality practices in the Post-Secondary Vocational realm and of a philosophy of creating a school that offers successful, job-oriented education and training.

Since 1991, Premiere Career College has welcomed students from all walks of life, providing the highest quality vocational training at an affordable tuition. Premiere Career College is the epitome in vocational training programs.

“Our strength rests in our ability to be flexible, and to respond to your intellectual and professional needs. When you begin your training here, you immediately become part of a community that includes faculty and administrators committed to education in an atmosphere of support and friendship. We

evening classes are available.

Premiere Career College distinctively offers formal education for Hospital Central Service Technicians. Also, its program is recognized by IAHCMM, the foremost association for professionals in healthcare central service and materiel management.

The school was also commended by the Accreditation Review Committee on Education in Surgical Technology for High Achievement and Successful Performance of their students ranking them first in California and third in the entire United States.

Premiere's continuous perseverance in providing quality education has been recognized with a re-accreditation with honors by the Accrediting Council of Independent Colleges and Schools out of Washington,

The Campus in Irwindale

DC.

They were also awarded a special recognition for Outstanding Achievement by EdFund, one of the leading providers of student loan services under the Federal Family Education Loan Program.

The College hold affiliations with facilities such as UCI Medical Center, USC County Hospital, Kaiser-Permanente, Pomona Valley Hospital Medical Center, Queen of the Valley Hospital, Plaza del Valle and Baldwin Park Medical Groups

just to name a few from a list that is long and distinguished. Students are usually being offered jobs at their places of externship and clinical rotation.

Premiere Career College is located at 12901 Ramona Blvd. Irwindale, just a short drive from just about anywhere in the San Gabriel Valley.
