

The 'Vice' and the 'Prez' bring Laughter on Citizen Pinoy!

REDWOOD CITY, CA—Immigration issues are always serious and tough matters. But you can get all the information you need, and still have a good time in this all-new episode of *Citizen Pinoy*.

Headliners in the Philippine comedy circuit—Ate Glow (who impersonates Philippine President Gloria Macapagal-Arroyo) and Vice Ganda—join leading US immigration attorney Michael J. Gurfinkel on the most popular immigration program on television today. Together, they dish out punch lines that will surely have you rolling in laughter. At the same time, viewers will still get pertinent answers to their immigration questions.

It can be noted that for “kapamilya” here in the US, stand-up *Pinoy* comedy acts are very much in demand. Comedy clubs, karaoke bars and even concert stages feature the hilarious and witty punch lines of *Pinoy* comedians that keep first and second generation Filipino-Americans, and even their non-Filipino friends, coming to the gigs

and laughing out loud.

But it is no laughing matter when it comes to the rigorous preparations and documents that need to be accomplished and submitted by these “imported” comedy acts. In order for them to keep their viewers and fans laughing in stitches, these comedians need to acquire an “O” visa, which would allow them to perform in the US. The Law Offices of Michael Gurfinkel has helped many of these performers obtain their visas.

This Sunday, be sure to join attorney-to-the-stars Michael J. Gurfinkel and his deliriously funny guest co-hosts Ate Glow and Vice Ganda as they bring you a riotous time. It is an all-new *Citizen Pinoy* this Sunday, at 5:40pm (PST) with a replay on Wednesday, at 12:15am (PST) on TFC. *Citizen Pinoy* also airs on ANC-US every Sunday at 1am with replays on Sundays at 9am and Thursdays at 8pm, all PST; and on ANC in the Philippines every Sunday at 4pm, with replays at 12 midnight on Mondays.
