

Bilang Farmers® Agent, parang kapamilya ako ng mga customers ko.

Nasa isip ka ng mga Farmers Agents.

As a Farmers Agent, I don't just sell my customers insurance. I keep them informed about special discounts plus coverage options they can select from to protect their property and loved ones.

- Farmers Identity Shield™ (for identity theft)
- Special Multi-Line Discounts
- Farmers Life Insurance Protection
- Loss Control Services Program (for small business)

With 80 years of expertise, we're one of the largest, most respected insurance providers. So speak to a Farmers Agent today and you'll see why our customers think of us as family!

Discounts may not apply in all states. Contact your Farmers agent to find discounts available in your area. The policy (and prospectus, if applicable) is available in English only, and will control in the event of a dispute.
