

Donya Buding is coming to America

WHO would ever forget Doña Leonila Evaporada viuda de Ford? Or better known as the glamorous and snobbish Doña Buding. In 1983, we were all introduced to the classy and wealthy character of Nanette Inventor in a social satire portion on Channel 7's *Penthouse Live* that made all of us laugh our hearts out!

From then on, Nanette Inventor and Doña Buding have been synonymous with each other and the rest was history.

A multi-faceted performer, a singer, comedienne, host, commercial model and an actress, this is Nanette Inventor rolled into one. She has been making everyone laugh for more than two decades. For Nanette, performing and making everyone laugh has always been her love and passion.

Nanette was a part of the UP Concert Chorus and this is where her music career started. She later on, became a back up singer and did TV commercials, voicing for radio and jingles. LA jams with ASAP Sessionistas

KATZ Entertainment is pleased to announce that Los Angeles concertgoers are all very excited to watch the ASAP Sessionistas Live on Nov 6 at Heritage Forum.

This early , tickets in the \$100 section are almost gone. "I am so surprised at how popular the ASAP Sessionistas are. We are swamped with ticket orders. Usually, the tickets start moving only a few weeks before showdate. But since we started selling the tickets last month, the clamor has been so overwhelming," Jackie Regala, president of KATZ Entertainment says.

Jackie also added: "Because it is such a great mix of several music genre, a lot of our ticket buyers are saying that they don't mind buying the relatively fair price tickets since we get to watch real concert artists whose name are all revered in the entertainment scene."

The well-watched Sessionistas of Asap every Sunday will be bringing their highly entertaining
