Facial wrinkles amazingly removed with Sculptra Aesthetic

ELISSA

FRANCA

For many decades, the revolutionary poly-L-lactic acid or PLLA has been used in the medical field to dissolve stitches and medical implants, without harming the body. Now, another revolutionary product containing PLLA has been introduced to dissolve smile lines and other facial wrinkles. Called Sculptra Aesthetic, the amazing product has been proven by many very satisfied women and men who now look much younger, much more attractive.

If you want to remove wrinkles, lines and folds from your face, you can simply go to Allure Cosmetics Solutions in West Covina and have Sculptra Aesthetic under the expert supervision of Dr. Brian Machida.

Sculptra Aesthetic is the first facial injectable that gives you subtle results over time by stimulating your collagen. Collagen is a key structural component that keeps skin youthful looking and smooth. As you age, your body's collagen production

decreases, and you may begin to see wrinkles. Sculptra Aesthetic works to correct shallow to deep facial wrinkles and folds, as it stimulates collagen so it will actively increase production to help provide a refined, more youthful-looking appearance.

Sculptra Aesthetic works on the collagen in a series of treatments administered by a Sculptra trained physician, such as Dr. Brian Machida of Allure. On average, three injection sessions are needed over a period

of a few months, so you have more time to see how sensational subtle can be. Sculptra Aesthetic works gradually, giving you a more natural-looking appearance, without giving you away. The result? No more facial lines and wrinkles, just a fresh new glow, giving your face a look of youthfulness that can last up to two years.

"It's the perfect time to give yourself a head-start and look great during the Holidays. Since Sculptra Aesthetic is not a face-lift or a surgical procedure, you will get your youthful look gradually, without the painful side-effects of surgery. It's the perfect Holiday gift for yourself or your loved one. You will just love your new look and if you give it as a gift, your loved one will love you so much more for Sculptra," said Dr. Brian Machida who is offering a special discounted rate for the Holiday season.

So, be one of the beautiful people who have looked much younger, the easy way! Call Allure Cosmetics Solutions and ask about Sculptra Aesthetic and the current discounted rates. For more details, visit 1250 S. Sunset Ave. Suite 206, West Covina, CA 91790 or call (626) 337-0821.

THE PERFECT SETTING FOR AN UNFORGETTABLE EVENT

The Venetian Palace Banquet Hall

Voted Top 5 Venue in LA County in 2008 by Fox Channel 11

HAVING been voted among the top 5 venues in the whole of LA County in 2008 by Fox Channel 11, the Venetian Palace Banquet Hall is the most elegant banquet hall located in the San Fernando Valley. It has been in operation for four years now. Guests who enter the Venetian are so pleasantly surprised that there is such a beautiful event venue in the San Fernando Valley; that's why it has been referred to as the "Hidden Jewel in the Valley".

Ideal for weddings, debuts, anniversaries, birthdays, corporate events, meetings, conferences, and other parties, the Venetian ballroom can comfortably accommodate up to 350 guests. Guests will specially love the great variety of food they can choose from, including all other important amenities, such as the chocolate fountain (a favorite among all Venetian guests!)

Venetian Banquet Manager Ray Andonian says they have over two decades of event planning experience in the restaurant business that is why they can provide excellent service. "The Venetian is not just a banquet hall, not just a venue. It's a one-stop shop because I help all our clients to make the event truly special. For example, I have helped couples get bargain honeymoon packages, video and photo coverages etc. I really go out of my way to give clients what they want, way beyond what the normal event venue provides. At the Venetian, they get my free services as the event planner," said Ray Andonian.

If you're looking for the perfect setting that has all the elements to give you an unforgettable experience, call Ray Andonian at The Venetian Banquet Hall at 818-343-1161 or drop by the "Hidden Jewel in the Valley" at 6740 Corbin Ave, Reseda 91335. The Venetian is open from Tuesday to Friday 1pm -6pm and Saturdays from 12nn-6pm. You may also email info@venetianpalace.com or visit their website at www.venetianpalace.com.
