Island Pacific's Damayan Drive
for Manila Flood Victims

Hundreds of thousands of Filipinos have been devastated by the severe flood that hit our country. Let us join together in California and give what we can – *tulongan natin ang ating mga kababayan upang sila ay maka-ahon sa kalamidad sa Metro Manila, at maka-simula ng bagong buhay.*

Drop off your donations at any Island Pacific branches. The typhoon victims specially need canned goods, clothes, towels, bed sheets, medicines etc.

Island Pacific, in cooperation with Alas Cargo, will take care of shipping your donations to the victims.

Island Pacific will also accept financial donations to help the victims rebuild their lives. Your donation— in cash, check or thru credit card—will surely reach the victims and their families, thru our **Ahon Pinoy!** partners in Manila.
